Christiansted, St. Croix
U.S. Virgin Islands 00820

Dear Ms. Henry:

Attached please find U.S. Postal Money Order Number 90198081753, in the sum of TWO HUNDRED FIFTY DOLLARS (\$250.00), which represents reimbursement, in full, for five (5) shares of stock in Family Broadcasting, Inc. d/b/a Radio Stations WSTX-AM&FM.

This letter hereby acknowledges receipt of the above-referenced stock certificate. As noted previously, no profit has ever been realized; however, it has been our intention to return funds to those persons requesting same in exchange for return of the certificate. Economic conditions are dismal here in the Virgin Islands, to say the least, and if we don't look after one another no one else will.

May God continue to shower you with his blessings.

Very truly yours,

Barbara James-Petersen

GIFT AND CONVEYANCE OF STOCK

Gift and Conveyance of Stock, made and entered into this 16th day of April, 2002, by Gerard Luz A James and Asta K. James, individuals and residents of Christiansted, St. Croix, U.S. Virgin Islands (collectively referred to as the "Donors"):

WITNESSETH:

WHEREAS, the Donors own certain shares of stock of a Virgin Islands corporation known as Family Broadcasting, Inc. ("FBI"); and

WHEREAS, FBI holds licenses issued by the Federal Communications Commission ("FCC") for the operation of AM Broadcast Station WSTX and FM Broadcast Station WSXT-FM, Christiansted, St. Croix, U.S. Virgin Islands; and

WHEREAS, the Donors wish to donate all of their shares of stock to their children, Barbara James-Petersen, Gerard Luz A. James, II, Emmeth C. James and Kelsey G. James; and

WHEREAS, the Donors wish to make a free gift to their children of any indebtedness which FBI may owe to the Donors; and

WHEREAS, the donation of stock requires the prior consent of the FCC;

NOW, THEREFORE, for and in consideration of the Donors' desire to insure the preservation of Radio Stations WSTX AM and FM as a local, family-owned business, serving the needs of the Christiansted community, it is agreed as follows:

1. Gift of Stock: Subject to the prior consent of the FCC, Donors hereby give, bequeath and convey all of their stock in FBI, amounting to 93% of the issued and outstanding shares, to their children, Barbara James-Petersen, Gerard Luz A. James, II, Emmeth C. James and Kelsey G. Games (collectively referred to as the "Donees"), in equal portions. An application is

pending before the FCC for Commission consent to such transaction. Donors hereby appoint Barbara James-Petersen as their attorney-in-fact to transfer the stock on the books of the corporation as soon as the FCC has consented to such transfer.

2. Assignment of Indebtedness: To the extent that FBI owes any money or other things of value to the Donors, the Donors hereby transfer, convey and assign such indebtedness to the aforesaid children in equal portions, so that FBI has no indebtedness, whatsoever, to the Donors.

Also, to the extent that the Donees or any of them are indebted to the Donors or either of them, such indebtedness is hereby forgiven.

3. Retention of Control: Notwithstanding anything in this instrument to the contrary, the Donors shall retain their stock and voting rights until such time as the FCC has consented to the transfer of such stock and voting rights to the Donees.

4. Complete Agreement: This instrument constitutes the sole agreement of the Donors with respect to the subject matter hereof. It is binding and legally enforceable in the Courts of the U.S. Virgin Islands. INITIALLY, WHEN THIS TRANSFER OF CONTROL APPLICATION WAS FILED, THE LICENSEE/PERMITTEE ACCOMPANIED THE APPLICATION WITH AN EXHIBIT (EXHIBIT 6), STATING THAT THE PURPOSE OF THE APPLICATION WAS, IN SUBSTANCE, TO RESOLVE THE CHARACTER ISSUES SPECIFIED AGAINST THE PERMITTEE IN THE PENDING PROCEEDING IN EB DOCKET NO. 01-39, WHICH IS A PROCEEDING LOOKING TOWARDS THE REVOCATION OF THE LICENSEE'S LICENSES. THE LICENSEE ANSWERED QUESTION 5 PERTAINING TO CHARACTER ISSUES 'YES', MEANING THAT THERE WERE NO UNRESOLVED CHARACTER ISSUES PENDING AGAINST THE LICENSEE IN ANY PROCEEDING, EXCEPT THE ONE FULLY DESCRIBED IN EXHIBIT 6.

THE LICENSEE AND ITS COUNSEL HAVE CONSIDERED THIS MATTER AND BELIEVE IT WOULD HAVE BEEN BETTER TO ANSWER QUESTION 5 IN THE NEGATIVE, EXPLAINING THAT CHARACTER ISSUES ARE PENDING AGAINST THE LICENSEE IN EB DOCKET NO. 01-39, BUT THAT THERE ARE NO OTHER SUCH UNRESOLVED ISSUES STEMMING FROM ANY OTHER COMMISSION PROCEEDING IN THE PAST.

DECLARATION

Barbara James-Petersen hereby declares under penalty of the laws of perjury that the following is true and correct:

1. My name is Barbara James-Petersen, and I am the daughter of Gerard Luz A. James and Asta K. James of Christiansted, St. Croix, U.S. Virgin Islands.

2. I was born on November 23, 1951, in Christiansted. From August of 1968 to May of 1971, and August of 1973 until April of 1974, I attended Mary Grove College, Detroit, Michigan, majoring in biology with a minor in chemistry. I received a Bachelor of Science degree from Mary Grove College. From August of 1976 until May 12, 1979, I attended Howard University School of Law, Washington, D.C., graduating with a jurisdoctorate degree.

3. Following graduation from Howard University, I returned home to the Virgin Islands, where I became employed in my father's law office doing legal research. I remained in that capacity until June of 1980, when I returned to the mainland and became a housewife.

4. In 1990, my parents purchased Station WSTX(AM) and WSTX-FM, and in September of 1990 I returned to the Virgin Islands to assist my family with the daily operation of the stations, becoming employed as general manager. In 1992, I became employed by the Virgin Islands legislature in the capacity of legal researcher and then Chief of Staff to Senator Gerard Luz James, II, my brother. In 1998, I returned to the radio stations as general manager and remain employed in that position.

5. My father has always attended to all of the matters connected with the relationship of the radio stations with the FCC. He and he alone filed all required applications and reports. He never involved me in any of the work.

6. The first time that I visited the radio stations was in September of 1990. At that time, the stations had been devastated by Hurricane Hugo. The AM tower had been blown down and it became necessary to replace the tower. That occurred in, I believe, the same year. After Hurricane Hugo came Hurricane Marilyn. Once again the station was devastated and the AM tower was blown down. Once again it had to be replaced. In November, 1999, the tower was blown over again in Hurricane Lenny, and we have been in the process of replacing it again, for the third time.

Family Broadcasting

Date: 11/5/03 Witness: Petersen Reporter: BMM

No. Pages: 3

7. My father paid \$525,000 for Stations WSTX AM and FM. In the intervening years since he bought the stations, a series of hurricanes have wrecked havoc on the Virgin Islands. With each hurricane, more and more retail businesses have been destroyed and fewer and fewer advertisers have been available to support the stations. Nevertheless, the stations constitute the only valuable asset held by my father for the benefit of his children and his grandchildren.

8. In 1998, when I returned to the radio station, I was aware that the FM transmitter equipment was operating from the AM site, but I was not made aware that there was anything unlawful about this. I did not know the difference between an exciter and a transmitter; I was not and I am not an engineer. I have since learned, however, that the operation of the FM station from the AM site is not authorized by the station's license and I have taken steps to immediately restore the FM station to legal operation by constructing a new transmitting facility on Recovery Hill in accordance with the application which is being filed by Family Broadcasting, Inc.

9. The James family is a proud family in the Virgin Islands. Our ancestors came to the Virgin Islands some 400 years ago from Africa and Europe. Among our family we have lawyers, doctors, members of the legislature, and other prominent professions. My father is a proud man. Since the time that I was a little girl, he has tried to shield me and my siblings from any unpleasantness. Thus, I never knew that he had any financial difficulties at the Blue Mountain site, or that the station was evicted from the site for non-payment of rent, because he never told me. I always assumed that Stations WSTX AM and FM were operating perfectly legally, in accordance with all FCC rules and regulations and the terms of their licenses. My father never gave me any hint that this was not so. Thus, when I saw the order to show cause, I was utterly shocked.

10. In the order to show cause, there is an allegation that I accompanied an FCC inspector on a visit to Station WSTX(AM) and that during the visit the inspector discovered a hole in the fencing surrounding the AM towers. That is true. However, as soon as we discovered the hole, I immediately had it repaired and the repairs were completed by the end of the month in which the inspection took place. Now, the only access to the area is through a locked gate. During the same inspection, it was discovered that the power supply to the printer used by the EAS had failed and that the printer was inoperative. I was already aware of that and had contacted the manufacturer to send a new power supply, which arrived shortly after the inspector's visit, and the printer was restored to operation. At the time of the inspector's visit, it was also called to my attention that many items were missing from the stations' public file. At the suggestion of the inspector, I sent a person to the FCC in Washington to copy all of the documents in the stations' files. Thus, the public file was completely reconstructed within a short time after the inspector's visit.

11. My father is 75 years old and has a history of heart problems. In fact in January 2000, he was airlifted to hospital in New Orleans, where he had a triple bypass. I know that he has always tried to do the best he could for myself and the other members of his family. I also recognize, after reviewing the order to show cause, that he made some mistakes. I have discussed these matters with him and he has agreed to turn over all of his stock to other family members; resign as an officer and director of Family Broadcasting, Inc., and divest himself completely of any involvement with

the radio stations.

12. Legal counsel has been instructed to determine whether this requires the filing of applications with the FCC and, if it does, to prepare and file the necessary application(s). For my part, I have engaged legal and engineering communications counsel to clean up any and all FCC rule violations which may exist and I assure the Commission that if I am permitted to do that, Stations WSTX AM and FM will, in the future, operate in complete accordance with the Commission's Rules and Regulations, the Communications Act, and the terms of the stations' licenses.

13. Despite the technical deficiencies in the operations of the stations. I believe that they have duly served the public in the Virgin Islands. After Hurricane Marilyn, we turned over a half hour of our programming time, five days per week, to FEMA, so that they could communicate with the devastated areas of the island. We provide various departments of the Virgin Islands government with free airtime. For example, the Department of Public Safety has a one hour program running each week. Also, with the devastation in retail business which has occurred in recent years, we have supplied liberal credit to all merchants, allowing them to broadcast advertisements over our facilities without requiring immediate payment. As a practical matter, this probably means without requiring payment at all.

14. We are the only radio station in St. Croix which is truly locally owned. There is another station which is owned by a former resident of the British Virgin Islands, but we are the only local family to own a radio station in St. Croix. For that reason, St. Croix residents look to us primarily as their local radio station.

Further declarant sayeth not.
